

Attorney Docket Number: 6771USC1  
Filing Date: 12/05/03

**REMARKS**

The present application is being filed under 37 CFR 1.53(b) as a continuation application claiming priority to previous application number 09/651,344. The claim of priority is added to the specification by this preliminary amendment.

New claims are hereby filed in the attached new specification per the procedure set forth in MPEP 201.06(c) rather than in a preliminary amendment so that the new claims will be reflected in the patent application publication. No new matter has been added.

A copy of the signed oath and declaration from the previous application number 09/262,402 and a copy of the signed power of attorney from the previous application number 09/651,344 are being submitted with this continuation application.

If the Examiner determines the prompt allowance of these claims could be facilitated by a telephone conference, the Examiner is invited to contact Joseph A. Twarowski at (650) 474-3326.

**Deposit Account Authorization**

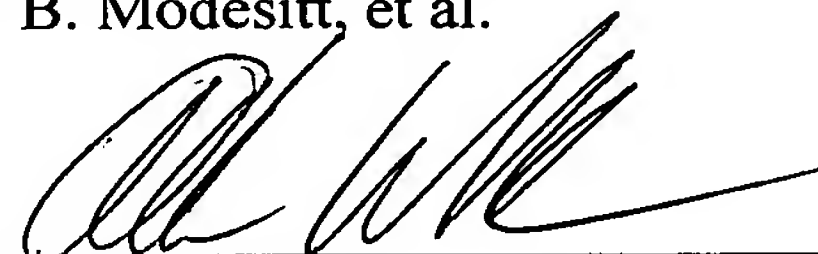

Authorization is hereby given to charge our Deposit Account No. 01-0025 for any charges that may be due or credit our account for any overpayment.
